ABOUT THE AUTHORS

ADAM THOMAS, MEDIA RESEARCH MANAGER

Adam has held several senior roles within the media industry. He has worked as a journalist at CIA Medianetwork's Channel 11, authored media research analysis for the Corporate Intelligence Group and was senior media analyst at Market Tracking International. He also wrote for the PSI's prestigious *Cultural Trends* journal, before joining Informa Telecoms & Media in 2000 as Media Research Manager. Adam has written many of our best-selling reports on the film, TV, games and new media sectors. He graduated from Guildhall University in 1994, with a First Class Honours degree in Communications.

SIMON DYSON, SENIOR RESEARCH ANALYST

Simon is a music and broadcast analyst who joined Informa Telecoms & Media in 2000. Following a lengthy career in the music industry he returned to education and gained a BSc in Media Studies at South Bank University. He then worked for a research company specialising in music, including compilation of the *MBI World Report*, as well as music broadcasting and online developments.

TED HALL, MEDIA RESEARCH ANALYST

Ted graduated from the University of Reading with a first class honours degree in English Literature in 2005. Before moving into research, he took up analytical roles within the law and education industries. Work with a leading international law firm was followed by a brief role with a major UK examination board. Ted has been working for Informa Telecoms & Media since 2006, analysing all aspects of the TV industry.
